PROFESSIONAL SUMMARY

I am an adaptive and flexible individual who performs effectively in various environments and team settings. With strong active and passive communication skills, I can convey ideas clearly, listen attentively, and maintain smooth interaction even in fast-paced situations. I have experience collaborating with people from diverse backgrounds, strengthening my teamwork and problem-solving abilities. I consistently demonstrate strong self-management, including time management, task prioritization, and continuous skill development. I am committed to contributing positively through adaptability, clear communication, collaboration, and a disciplined work ethic.
